

### Drum Cradle & Tipping Lever

Model 31  
Tipping Lever

Model 40  
Cradle Truck

### 40 Series Cradle Trucks

Rugged angle iron construction. 3" (7.6 cm) MORTUF polyolefin wheels. Shown with optional Model 31 tipping lever. Handle 55-gallon steel drum.

Capacity: 700 Lb. (318 kg).

**Model 40** is for 55-gallon steel drum.

**Model 40-30** is for 30-gallon steel drum.

### Model 31 Tipping Lever

**Model 31** is for one person loading of heavy drum onto Model 40. Built with 40" (101.6 cm) steel tubing and malleable iron double hook. Shown above with Model 40.

### Model 36 Cradle Truck

Model 36 is an easy to load drum cradle with a built-in retractable tipping lever. It has heavy steel welded construction with four 3" MORTUF polyolefin wheels. Handle 55-gallon steel drum.

Capacity: 500 Lb. (227 kg).

### Model 46 Drum Cradle Truck

**Model 46** is specifically designed to handle 15-gallon steel drum.

Four 3" polyolefin wheels. Rock-over loading eliminates manual lifting.

Capacity: 500 Lb.

### Model 32 Drum Upender

Provides leverage for moving horizontal drum to vertical position.

Ship weight: 10 Lb.

### 14 Series Drum Dollies

Wide stance base has four 3" (7.62 cm) MORTUF polyolefin swivel casters for easy moving of 55-gallon (210 liter) drum. Handle steel, plastic or fiber drum up to 23" outside diameter at the bottom, including 55-gallon sizes (not 23" ID fiber drum).

Capacity: 1,000 Lb. (454 kg).

Model 14-SS

Model 14

**Model 14M** has spark resistant parts.

**Model 14-SS** has electropolished type 304 stainless steel frame. Fasteners are stainless steel. Casters are bright-finished steel with MORTUF polyolefin wheels.

**Model 14-30** is for 30-gallon steel drum.

### 15 Series Can Tippers

**Model 15** handles a 5-gallon can or pail. A safety lock holds the pail in the holder.

Dispensing height is 10". It folds for easy storage. Handle a can up to 12.25" in diameter and up to 18" tall.

**Model 15-SS** (shown above) is made of type 304 stainless steel.

### Model 2-15

### Two-Can Tipper

**Model 2-15** Two-Can Tipper (shown right) handles two 5-gallon cans.

### 34 Series Drum Dollies

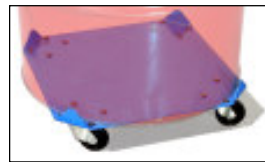

These square drum dollies have a flat deck with four rounded corners turned up to securely hold the drum in position.

They roll on four 3" (7.62 cm) polyolefin swivel casters. Use them to handle a drum up to 24" outside diameter at the bottom, including 55-gallon steel, plastic or fiber drum.

Capacity: 1,000 Lb. (454 kg).

**Model 34-30** is for a 30-gallon drum.

**Model 34-5** (below) is sized for a 5-gallon pail.
